AIRFRYER SUPER CRUNCH ORIGINAL 600 G

The Super Crunch fries line was created specifically for even more crunch – and the Airfryer version takes this idea further in a simple, practical way. Super Crunch Airfryer Original fries turn golden and crispy quickly in an oil-free appliance, with no need to add any fat. Thanks to their rice-flour coating, they retain heat longer than standard fries, and the classic 11 mm cut preserves their familiar look and taste. They're simply the classic Original, adapted for the Airfryer: faster, crispier, and more convenient for everyday use.
