AIRFRYER SUPER CRUNCH ZIG ZAG 600 G

The Super Crunch fries line was created specifically for even more crunch! Fries prepared in an Airfryer are ready in about **7 minutes** and stay crispy without the need for oil. In addition, Super Crunch fries retain heat longer than standard products. Super Crunch Airfryer Zig Zag features extra-crispy fries with a new, deeply ridged and thinner cut – the only one of its kind available on the retail market – combined with a tender potato interior.
